MEMBER OF PARLIAMENT FOR ARUNDEL AND SOUTH DOWNS

HOUSE OF COMMONS

Dear Resident,

**Opposition to 100 dwellings on Heath Common, Storrington**

I am writing to you in relation to the proposed development by the Clarion Housing Group for 100 homes to be built locally on Heath Common just off of Rock Road in Storrington.

A number of local residents have already shared with me their concern that this development would mean an influx of vehicles using roads during construction and post-development, a surge of demand for local medical care and education facilities and it would represent yet another expansion of Storrington.

As your Member of Parliament, I have spoken up on behalf of residents concerned about large scale, unsustainable housing development. Whilst there are occasions when local areas wish to see new housing, this should be with the consent of the community in the local plan produced by your elected councillors. This site is not one of those.

Although the developer has yet to formally submit a planning application, now is the time to make your views known before they do so. I will be submitting a response and would be grateful for your views. To this end, I have created a 60 second survey on the proposal that you can complete at: [www.tinyurl.com/553hnhj5](http://www.tinyurl.com/553hnhj5) or you can also quickly open it by trying to take a picture of the QR code below it with your smart phone camera.

Whilst writing, I would remind you that your Member of Parliament is here to help you regardless of how you vote at elections. You can find out more about Parliament and its work, as well as my own work on behalf of constituents, at [www.parliament.uk](http://www.parliament.uk).

Kind regards,

Andrew Griffith MP
