WASHINGTON PARISH COUNCIL MEETING

MINUTES of proceedings for the monthly meeting of Washington Parish Council held on Monday 6th November 2023.

PRESENT: Cllr B Hanvey, Cllr P. Heeley, Cllr T Keech, Cllr Lisher (Vice-Chairman Cllr J Luckin and Cllr J Thomas

IN ATTENDANCE: Cllr Paul Marshall (WSCC), Cllr Emma Beard (HDC) and Cllr Joan Grech (HDC).

ALSO: Clerk to the Council, Ms Z Savill

MEMBERS OF THE PUBLIC: 0

ABSENT: Chairman

The Vice-Chairman opened the meeting at 7:30pm.

- FC/23/11/1 To Receive and Accept Apologies for absence**
The Council **RESOLVED** to **ACCEPT** apologies from the Chairman.
- FC/23/11/2 To Receive Declarations of Interest**
Cllr Luckin declared an interest in item FC/23/11/7 for planning application reference SDNP/23/00443/COU – Corner Cottage, The Street Washington RH20 4AS. There was no discussion or voting on this item.
- FC/23/11/3 To Approve the Minutes of the last Full Council meetings on 2nd October 2023**
The Council **RESOLVED** that the minutes of the Full Council Meeting on 2nd October 2023 were a true record and were duly signed by the Chairman.
- FC/23/11/4 Public Speaking**
None
- FC/23/11/5 Reports from County and District Councillors**
- County Council Reports for the Parish**
Cllr Marshall reported on the following:
- He would enquire on progress with the Council's approved Community Highways Scheme to improve the A24/Rock Road junction.
 - WSCC's new appointment system for the recycling centres was greatly improving user experience.

S.J.B.

- WSCC was working to close a £4 million gap on just under an £800 million expenditure for the coming year (2024/25).
- Irresponsible landowners were not clearing ditches or cutting back vegetation by the road network. WSCC would be pushing to remind them of their riparian responsibilities.

District Council Reports

Clr Grech's reported on the following:

- The Local Plan will be considered at the HDC Full Council meeting on 11th December.
- The SDNPA will be conducting their Local Plan Review workshop for parishes on 7th December 2023 at Lodge Hill, Pulborough. Clr Grech would find out if the priorities for the parish in the SSWNP will be taken into consideration in the review process.
- The District Councillors' (Storrington & Washington Ward) objection letter to the Rock Common Quarry planning application was published on the WSCC public portal.
- HDC had replied to Andrew Griffith MP's criticism of their response to the Rampion 2 Adequacy of Consultation. The letter had been shared with Washington PC (Appendix 1 in these minutes).

Clr Marshall left the meeting.

FC/23/11/6 To Report on actions and matters arising from the last meeting

The report in Appendix 2 was noted and that there were no matters arising.

FC/23/11/7 Planning Decisions, Appeals and Planning Compliance

Planning applications

None received.

Planning Decisions:

The following updates on significant applications in the parish were noted:

- **Rock Common Quarry WSCC/028/21**
The determination date is still pending.
- **DC/23/0701 Old Clayton Kennels Washington – update for information**
The publication of a decision of this application is still pending subject to legal agreements.
- **DC/21/0591 – 2 Jenners Field Rock Road Washington West Sussex RH20 3BH**
Change of use of land and existing building to a dog day care business (Retrospective)
The application was withdrawn by the applicant on 20.10.2023. At the request of a local resident, their email raising concerns about the application was shared with the Council.

Appeals:

The following significant appeal decisions were noted:

- **Appeal A Ref APP/Z3825/W/22/3308455** against decision by HDC to refuse the application **DC/21/2086 – Land west of Ravenscroft, Storrington West Sussex RH20 4HE**

Hybrid application consisting of full permission for the relocation and enhancement of the Ravenscroft Allotment site and Outline Planning permission for up to 78 homes with all matters reserved except access (excluding internal estates roads) from Ravenscroft, and new community parkland

Decision: Allowed – 6th October 2023

It was noted that the appeal site is designated in the Storrington & Sullington and Washington Neighbourhood Plan for development of up to 35 homes.

- **Appeal B Ref: APP/Y9507/W/22/3308461** against decision by SDNPA to refuse the application **SDNP/21/04701/OUT - Land west of Ravenscroft, Storrington West Sussex RH204HE**

Hybrid application consisting of full permission for the relocation and enhancement of the Ravenscroft Allotment site and Outline Planning Permission for up to 78 homes with all matters reserved except access (excluding internal estates roads) from Ravenscroft, and new community parkland

Decision: Allowed – 6th October 2023.

Planning Compliance

The following reports were noted:

- **SDNP/23/00443/COU – Corner Cottage, The Street Washington RH20 4AS.**
Alleged: conversion of outbuilding into independent unit of accommodation/holiday let (Coach House). Reported 20/9/2023. Details under investigation
- **DISC/23/0186 - Longbury Hill Wood, Rock Road, Storrington**
Approval of details reserved by condition 7 to approved application DC/17/2117
Decision : Approved.
A link with the supporting papers was reported to the Council on 25th October 2023
- **SDNP/22/01589/CND - St Marys Gate The Street Washington West Sussex RH20 4AS**
Variation of Conditions 3 of previously approved application SDNP/17/03716/HOUS
(Demolition of existing garage and side extension. Erection of replacement part two- storey part single storey side extension with first floor dormer to eastern elevation and 2x 'lantern' rooflights) Variation sought to allow for retention of existing UPVC windows with added glazing bars and confirmation of replacement of windows at end of life in a material/style as agreed.
The Clerk reported that the Planning Compliance Team's involvement with the UPVC windows was currently being held in abeyance awaiting the outcome of the above retrospective planning application. They would ask the Case Officer to contact the Parish Council with progress on the application, ahead of the next Planning & Transport Committee Meeting on Monday 20th November.

Cllr Joan Grech and Cllr Emma Beard left the meeting.

FC/23/11/8 To Report on any urgent maintenance issues affecting Council property and Agree action

The following reports from the Clerk were noted for information:

- There were no urgent maintenance matters for attention.

- The groundsman would be reinforcing the new fencing in the corner of the recreation ground, on the allotment side, on 7th November.
- The groundsman would quote on the replacement hedging to fill the gaps along London Road at the end of the month once hedge stock became available.

FC/23/11/9 To Report the draft Minutes of the Open Spaces, Recreation Ground and Allotment (OSRA) Committee Meeting on 16th October 2023

The draft minutes were noted, to be adopted at the next OSRA Committee meeting.

FC/23/11/10 Washington Recreation Ground Charity: To Consider a recommendation from the OSRA Committee to approve a quotation for the MUGA new LED lighting

Councillors considered the recommendation from the OSRA Committee Meeting (16th October 2023). It was **RESOLVED** to **APPROVE** the £4,680 quotation from Case Electrical to install Limineux 650watt light LED lighting on the MUGA as it offered the most even court coverage. It was further agreed to ask the contractor if they would make the required planning application. Otherwise, to delegate authority to the Clerk to engage a planning consultant through WSALC at the previously quoted £60 per hour.

FC/23/11/11 Washington Recreation Ground Charity: To Consider a recommendation from the OSRA Committee to Approve quotation for a three-year Grounds maintenance agreement.

Councillors considered the OSRA Committee's recommendation at its last meeting (20th November) to engage Sussex Land Services Ltd for the groundworks on a three-year term from 2024 for the following quotations:

- 2024: £4,796.96 (£4,446.96 + £350 for cutting hedges along western boundary of the Recreation Ground from the Village Hall car park).
- 2025: £4,948.80
- 2026: £ 5,121.67

It was noted that a £647.56 increase in the 2024 quotation from this year was partly due to a change in the Council's amended grounds maintenance schedule. This now included a new requirement for cutting the hedge along the western boundary of the Recreation Ground for which the contractor had quoted £350.

Councillors agreed that given the rate of inflation, the increase was not unreasonable. Further quotes would not be sought as the contractor was previously approved by the Council as per its Financial Regulations 11.1 (h) and had provided a good service the last three years. Following a discussion it was **RESOLVED** unanimously to **APPROVE** the three-year quotation.

FC/23/11/12 Washington Recreation Ground Charity: To Consider a recommendation from the OSRA Committee to Approve a quotation for Play Area maintenance and improvements.

Councillors considered the OSRA Committee's recommendation at its last meeting (20th November) to engage Contractor A/HAGS to carry out £14,275.50 maintenance and replacement safety surfacing in the Play Area, identified in the recent annual safety inspection report. It was noted that part of the quotation is for £13,057 of new safety surfacing.

Contractor B had been unable to amend their quote according to the required specification. The original quotation was previously circulated. Contractor C had carried out a site visit but they did not submit a quotation. Neither Contractor A or B would quote for recommended works on the MUGA. Contractor C agreed to

provide this at the end of October for the Committee's consideration.

It was noted that HAGS installed most of the original play area equipment in 2017 and would be carrying out quarterly maintenance inspections in 2024/24 in the Play Area.

Following a discussion the Council **RESOLVED** unanimously to engage HAGS for the Play Area improvements and maintenance as quoted. The safety surfacing would be funded from CIL monies as previously recommended by the CIL Working Party. Maintenance to be funded from the Council's operational budget.

FC/23/11/13 Washington Recreation Ground Charity: To Consider seeking legal advice for a request by the Rampion 2 developer to conduct a noise monitoring survey for the proposed cable route on the Recreation Ground/Allotment land

Councillors considered a request from the Rampion 2 land agents, Carter Jonas (27th October 2023), to agree a 24-hour noise monitoring survey on the Council's land. A copy of the agent's draft licence proposal which included the payment of a £500 licence fee to the Council and agreement to cover "reasonable" legal fees, was previously circulated. It was noted that the agent had not yet given prior approval of a £600 quote from the Council's solicitor for legal advice and to finalise the licence agreement, a requirement of the terms.

Following a discussion, the council **RESOLVED** unanimously to delegate approval of the licence. This was subject to written approval from the agent of the legal costs, and legal advice from the council's solicitor. Clerk to action.

FC/23/11/14 To Report the draft minutes of the Planning & Transport Committee Meeting on 16th October 2023

The draft minutes were noted, to be adopted at the next Planning & Transport Committee meeting.

FC/23/11/15 To Consider a recommendation from the Planning & Transport Committee for the supply and installation of speed indicator devices in the parish.

Councillors considered the Planning & Transport Committee's recommendation at its last meeting (20th November) that the Council approves the £1,192.50 quotation from Wilburs Associates, traffic consultants from Pulborough, to install a speed indicator device in Rock Road and one in London Road. It was noted that Wilburs were the most suitable installers as not only do they carry out checks for underground services, but being fairly local, they were able to offer a reasonable and flexible annual maintenance programme. The cost for this was circa £720/£60 per hour for a site visit to include monthly rotation of the device in Rock Road and charging batteries. The contractor was recommended by another local council who used their services. One other contractor quoted to install the Washington devices but was unable to carry out the site survey or maintenance.

A copy of correspondence dated 1st November 2023 from the WSCC Assistant Area Highways Manager was previously circulated which confirmed that there was no condition imposing a fixed temporary time limit for the position of the devices. It was noted that SIDs are typically used for two weeks out of every 12 week period but this was at the discretion of the parish council. The Chairman reported on the Working Party's proposal for the device in London Road to be left permanently in situ but could be turned off for periods at the Council's discretion. The solar unit would work well in the location with minimal maintenance costs. Similarly, the device in Rock Road would be permanently in situ, powered on mains battery and charged once a month. The device could be rotated 180 degrees on each battery change over, the batteries said to last for 45,000 triggers between charges.

Copies of the WSCC licence agreements for both devices was previously circulated, to be counter-signed by the Parish Council . The Council's insurer had confirmed that the devices would be included in the existing policy schedule for street furniture at no additional cost.

Following a discussion, the Council **RESOLVED** unanimously to **APPROVE** the recommendation to engage Wilburs Associates for the installation and maintenance programme. Purchase and installation of the devices to be progressed once the management schedule is finalised and the licences signed by all parties.

FC/23/11/16 To Approve Payments

The Council **RESOLVED** to **APPROVE** the total payments of **£4,918.20** for the following invoices. These were previously circulated.

**Washington Parish Council
Payments to Approve – FC Nov 2023**

Number	Cheque	Name	Description	Amount
107		Play Inspection Company	Playground inspection	144.00
108		Southern Pest Control Group	Pest Control	50.00
109		Signs of Cheshire Ltd	Noticeboards	1,797.60
110		Royal Mail	PO BOX Address	396.00
111		Storrington Parish Council	Council training	97.20
112		Washington Parish Council	Pension	108.74
113		Washington Parish Council	Clerk salary	1,683.30
114		Tesco	Office phone	9.00
115		Tool Station	Padlock	29.98
116		Washington Parish Council	Mileage	21.42
117		Washington Parish Council	Clerk broadband	20.00
118		Washington Parish Council	Clerk's electricity	26.00
119		Sussex Land Services Ltd	Recreation ground maintenance	534.96
TOTAL				4,918.20

All invoices were initialled by two Councillors as per the Council's adopted Financial Regulations.

FC/23/11/17 To Report the Council's reconciled bank balances

The following reconciled balances of the Council's two accounts on 31st October 2023 were noted:

- Lloyds Bank: **£ 84,862.04**
- Nationwide Business Savings Account: **£85,000**

FC/23/11/18 To Report Income

The Council noted that a sum of **£18,483.32** was received since the last meeting representing the final tranche of CIL monies for the Vineyards development at £16,597.42 + £1,885.90 VAT Q1 & Q2 2023.24 refund. There were no outstanding sales receipts.

FC/23/11/19 To Consider a CIL Grant application

Councillors considered an application from the Village Hall for £4,299.13 CIL monies. The funding would replace the fluorescent lighting with LED lighting and add motion sensor lighting circuit in the kitchen; infrared heaters and sensor thermostats in the Chanctonbury kitchen and toilets. The improvements form part of the Hall's energy efficiency projects recommended by the Council's CIL Working Party. Quotations and supporting documents were previously circulated.

It was noted that the funding included the VAT which would be a significant proportion of the CIL monies for all the projects being planned. Neither the Hall or the Council would be able to recover this.

Following a discussion, the Council **RESOLVED** unanimously to **APPROVE** the grant in full using its powers under the Local Government Act 1972 s133. The Council **AGREED** to include the VAT on a one-time only basis, and to advise the Hall to exclude this if it is minded to submit further applications.

FC/23/10/20 To Report Correspondence

The following correspondence was previously circulated and noted:

- “Have your say on the future of active travel in West Sussex - Parish Councils” – consultation deadline 15th November 2023. Link to consultation documents at: <https://yourvoice.westsussex.gov.uk/active-travel-strategy>
- WSCC Newsletter 12th October 2023: “Covid-19 and flu jabs, Fun Halloween events, have your say, and more”
- Request for temporary overnight closure of A24 southbound between Washington and Findon roundabouts – 13.10.2023
- HDC responses (30.10.2023) to letter from the SSWNP regarding the Local Plan Workshop with Parishes. This was reported to the FC meeting in October 2023 under Min Ref: FC/23/10/10
- Appeal to help the Hedgehogs R Us Highway Project -29.10.2023.
- SDNPA Newsletter October 2023 –16.10.2023.
- Invitation from HDC to Climate Action Network Meeting on 6.11.2023. It was noted that this clashed with the FC November meeting.
- Invitation to sign up to petition – email from Zero Hour 18.10.2023
- CPRE Volunteers Needed – email from CPRE 20.10.2023.
- Local Plan Review Newsletter for October 2023 - 20.10.23

FC/23/11/21 To Consider an invitation to an online Sussex PCC focus group for South Horsham on 27th November 2023.

Councillors discussed the invitation and declined on this occasion.

FC/23/11/22 To Consider an invitation to the SDNPA Local Plan Review Parishes Workshop on 7th December 2023

Councillors considered an invitation to the SDNPA Local Plan Review Parishes Workshop at Lodge Hill, Pulborough on 7th December. It was noted that Cllr Grech had informed the council earlier in the meeting that she would be at the event as an SDNPA member. She had agreed to point out that the council had requested the SDNPA takes the neighbourhood plan's priorities for the parish into consideration in the review process. Following a discussion it was **RESOLVED** to decline the invitation.

FC/23/10/23 Clerk's Report

The following information was previously circulated:

Governance:

- FOI: the Council had been copied into two emails (30.10.2023) from resident, Mr Murray to WSCC requesting all email correspondence between them and the Council be preserved on the matter relating to the forestry track in Georges Lane, pending the outcome of further action in

his "pursuance of the facts." The Council discussed this and **RESOLVED** to **AGREE** that no further response was required.

- DPO Autumn update – 13.10.2023: To note for information
- Advice for Parish Councils from the HDC Monitoring Officer – 16.10.2023 – to note for information.
- Planning Training from HDC on 19th Oct 2023: Cllr Hanvey reported that he took part in the online session and that the training on how councils can respond to planning applications had been interesting. Slides for the session were previously circulated to councillors on 20th October for guidance.

CIL & S106 funding – Washington Parish

- Q2 2023.24 CIL & S106 Reports for Washington Parish – 13.10.2023 – to note for information. The clerk reported that she would make an application for S106 funding towards the parish's new speed indicator devices. The information was noted.

FC/23/10/24 To Receive items for the next agenda

Cllr Hanvey listed the financial reports he would like to view for the Draft Budget 2024/25 discussion. The clerk confirmed that these would be provided ahead of the meeting.

FC/23/10/25 Dates and time of next meetings at Washington Village Memorial Hall (Dore Room).

The following meeting dates were noted:

Finance Committee: Monday 20th November 2023, 2023, 6:30pm

Planning & Transport Committee: Monday 20th November 2023, 7: 15pm

Open Spaces Committee: Monday 20th November 2023, 8:00pm:

Full Council Meeting: Monday 11th December 2023, 7:30pm

Personnel Committee: to be arranged.

FC/23/10/26 To Resolve, under the Public Bodies (Admissions to Meetings) Act 1960, in accordance with Standing Orders 3d to exclude the press and public on the grounds that the confidential matters to be discussed under the next item FC/23/155 will involve disclosure of privileged information relating which would be inappropriate to put in the public domain.

The Council **RESOLVED** to exclude the Press and Public from the next item due to the disclosure of confidential legal advice and information which would not be appropriate to put in the public domain.

FC/23/10/27 Rampion 2: To Consider the developer's draft Option and Easement agreements for the Rampion 2 proposed cable route on the Recreation Ground/Allotment land.

It was reported that Carter Jonas wrote to the Council (27.10.2023), requesting that it considers their proposed Option and Easement documents at this meeting, and for review by the Council's solicitor as the next step in the Key Terms process.

Both documents were previously circulated with supporting papers to all and considered read.

It was noted that the agent had not confirmed in writing that they would be willing to lift their cap on payment towards the Council's legal fees to advise on the documents. The Council also considered legal advice from its solicitor.

Following a discussion, the Council **RESOLVED** unanimously to reiterate that it remains opposed at this time to the proposed cable route through the village and recreation ground/allotment land. Clerk to action.

There being no other business to transact, the meeting was closed at 9:20pm

Signed:

Dated: 11 December 2023

Appendix 1: District Council Reports

Rampion 2 Adequacy of Consultation: HDC's reply to Andrew Griffith MP

Email 5th September 2023

FW: Rampion 2 Offshore Wind Farm. Adequacy of consultation

Dear Sir/Madam,

Rampion 2 Offshore Wind Farm

I am writing to people who have contacted Horsham District Council regarding the adequacy of consultation on the proposed cable route and substation in Horsham District for the above project.

This email explains the role of Horsham District Council in Rampion 2 and how we have been representing local interests in this consultation phase of the project.

The Planning Act 2008 introduced the decision-making process for major infrastructure projects, such as offshore wind farms. The Planning Inspectorate is responsible for operating the planning process for these types of projects, which need a consent known as a Development Consent Order (DCO). It is important to note that Horsham District Council is only a consultee in this process. We do not determine the application and our comments may or may not be taken in consideration.

The DCO process comprises six stages. Currently the Rampion 2 project has reached the second stage, which is called Acceptance:

Acceptance

The Acceptance stage began when the Applicant (Rampion Extension Development Limited) applied to the Planning Inspectorate, who must decide if their application meets the standards required to be accepted.

In reaching that decision, the Planning Inspectorate asked Horsham District Council (HDC) if the Applicant had met certain duties on consultation and publicity. Please note that HDC was not asked or expected to get involved in people's dealings related to powers of land and property acquisition. Nor was HDC expected to comment on the merits or de-merits of the application at this stage.

S.S.B.
Handwritten signature in blue ink.

We have responded based on our experience as Officers, incorporating the views of the partners, resident groups, and individuals.

In summary, our view is that while the Applicant may have met their basic duties under the 2008 Act, there were missed opportunities in consultation to ensure people were fully aware of all the facts necessary to develop an informed view of the project. Because of this, HDC has requested extra time to address outstanding matters in the Examination stages. This will be of benefit to concerned residents because this is the stage when the merits of the proposition are considered.

If the Planning Inspectorate accepts this application, the process (which is run by the Planning Inspectorate, not Horsham District Council) will move to the next stages, Pre-Examination and Examination, explained below.

Pre-examination

At this stage, the public will be able to register with the Planning Inspectorate to become an Interested Party by making a Relevant Representation. A Relevant Representation is a summary of a person's views on an application, made in writing. An Examining Authority is also appointed at the Pre-examination stage, and all Interested Parties will be invited to attend a Preliminary Meeting, run, and chaired by the Examining Authority. It usually takes approximately three months from the Applicant's formal notification and publicity of an accepted application.

A person's view on the application should be made in writing to the Planning Inspectorate, not Horsham District Council.

Examination

The Planning Inspectorate has up to six months to carry out the examination. During this stage Interested Parties who have registered by making a Relevant Representation are invited to provide more details of their views in writing. Careful consideration is given by the Examining Authority to all the important and relevant matters including the representations of all Interested Parties, any supporting evidence submitted, and answers provided to the Examining Authority's questions set out in writing or posed at hearings.

The Planning Inspectorate website will be updated to what happens next. Please visit this website for updates and to learn more about the DCO process:
